# 2023 GTA Meeting – Fun Facts

---

- 2023 marked our return to an annual in-person meeting at the University of Delaware following 2 virtual only meetings during the COVID-19 pandemic
- 2023 GTA meeting comprised >110 attendees (from US, Canada, Europe, UK, Africa, Asia), >25 invited speakers, 2 workshops, 6 symposia, 22 poster presentations including from early investigators and students
- Continued support from 15 different sponsors (corporate sustaining and meeting sponsors)
- 7 genetic toxicology CROs/exhibitors on site

# BOD nominations for 2023-2026 term

---

- The GTA Board of Directors is calling on GTA members for nominations for the upcoming election.
- All members are eligible and welcome to submit nominations for the Board, including new GTA members and those that have served on the Board previously.
- Serving as a member of the Board of Directors provides an opportunity to expand your external professional network and directly influence current key activities (and the future direction of) the GTA.
- Please send the nominee's name, contact information, and bio to Penny Leavitt ([penny.leavitt@bms.com](mailto:penny.leavitt@bms.com)).
